

A wide-angle photograph of a large, empty theater. The foreground is filled with rows of orange upholstered seats with black frames, arranged in a semi-circle. In the background, there is a balcony with more rows of seats. The walls are a light beige color with dark wood paneling. The ceiling has recessed lighting. A large black banner with white text is overlaid in the center of the image.

# JUNIOR YEAR

Registration 2024-25

# Getting Started

- Check your Historical Grades
  - Read course descriptions
    - don't pick classes by the name alone
  - Keep NCAA/NAIA in mind as you choose

**\*\*\*don't forget your alternate electives.  
Must be different from your first choice  
electives**

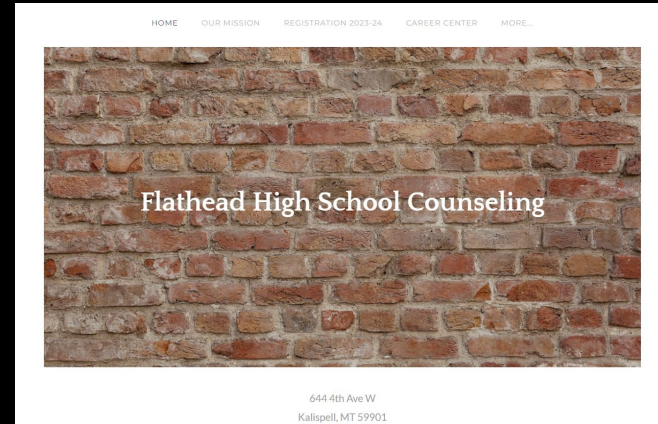

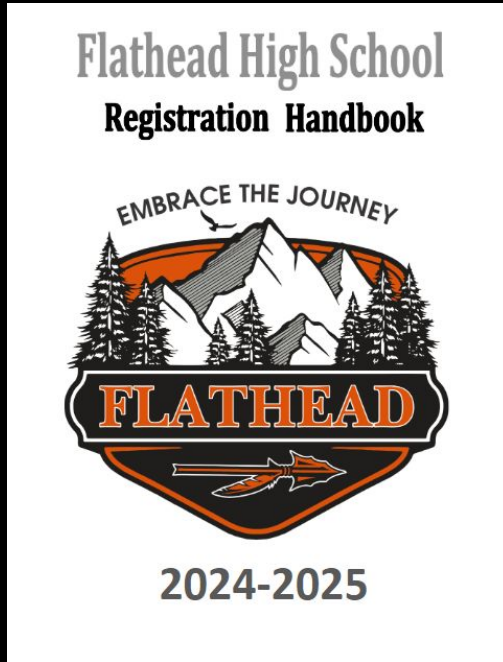

---

# Must Take

- English
- Math
- US History

# Helpful Online Tools

---

# What If I've Failed a Class?

## Option A:

Add it to your course selections for next year, and retake it (for either full year or the semester, depending on what you need)

## Option B:

### Summer School

- 3 week sessions/4 days week
- Half days (3 hrs)
- Earn .50 credit per session

\*talk to your counselor about this option

---

# PACE Academy

## Students will be able to:

- Experience education outside the traditional classroom
  - Flexibly complete diploma requirements
  - Realistically and relevantly explore career pathways while in high school
  - Demonstrate resourcefulness and problem solving skills
  - Confidently and successfully transition to post secondary and career opportunities
-

# Flathead PACE Academy

Personalized Academic & Career Exploration

## P

Personalized, flexible learning in core classes, blending technology-based and traditional instruction.

Students personalize career electives based on interest.

## A

Academic offerings are rigorous and relevant. Students move at their own pace. Our Systems of Support provide additional support as needed for success.

## C

Career discovery is a critical component of a high school education. Our mission is to connect students with career areas.

## E

Exploration of career pathways through internships, project-based learning applications, and career-based concurrent enrollment options.

Empowering students to explore career fields and opportunities while flexibly completing core high school requirements.

# PACE Academy

- Indicate interest on sheet (check below your name)
  - Select in PS under “Additional Requests”
-
